October 5th 2018

Dear Parent / Carer,

We are excited to announce our plans for Christmas this year at The Vale Academy.

As we did last year, we have organised for the pantomime to come to us! We have planned a fun filled day of Christmas celebrations on Monday 17th December 2018, whereby children will be able to watch the 'Jack and The Beanstalk' performance and enjoy a Christmas disco with games and prizes.

To cover the cost of the whole day, we are asking for £10 per child, this also includes a refreshment during the disco. Children are welcome to come to school dressed as their favourite pantomime character or in festive clothes. There is no additional charge for mufti.

There will be two performances of 'Jack and The Beanstalk' during the morning, allowing the children to have school lunch as usual, followed by the Christmas disco in the afternoon. We will be dividing the children by year groups, with the older children being in the hall and younger children in the gym for the discos. Reception children will have their own disco / party in the Early Years unit. There will be an opportunity to purchase additional snacks and drinks during the discos, although one refreshment is already included in the price of the day.

It would be a lovely end to the Autumn term if all children are able to take part in the Christmas celebrations. A lot of time and thought has gone in to planning a day that we hope the children will thoroughly enjoy! If your child would like to attend, please return the attached slip along with payment by 9th November 2018. Unfortunately, any children that do not return reply slips and payment will miss out on the celebrations and will continue their education in a separate area of the school.

We look forward to celebrating the autumn term with the children and hope as many of them can join in as possible.

If you have any concerns regarding payment, please contact Sharnie on s.lariviere@thesharedlearningtrust.org.uk or pop in to the Dining Hall from 8.35 – 9.15am

Kind regards,

Sharnie La Riviere
School Business Manager
