Dear Parent/Carer

We have been listening to our parents in Nursery and many have expressed an interest in The Vale Nursery providing a hot lunch during their child's stay with us.

We have been in initial talks with Chartwells our catering provider. They have in principal agreed to supply these meals should there be enough demand.

We have negotiated a cost to the parent of £1.50 per day. The meal would consist of either a meat or vegetarian main course, vegetables, a carbohydrate and desert.

The Nursery practitioners in the children's dining area in the Nursery would serve the meal. Lunch would start from 11.30am to give the children plenty of time to eat.

At the beginning of each term, Chartwells would send a menu home, where you could choose your child's lunch with them at home and in advance. This is so the catering company can have accurate meal numbers and ensure your child is able to have their first choice.

Should you want your child to have a hot lunch, please complete the letter of interest form attached.

We ask that you fill in the form whether you would like to take the hot lunch option or if you would prefer to continue providing a packed lunch from home.

As soon as we have received all communications, we will write again with our decision.

Thank you for your continued support.

Kind Regards
