Dear Parents and Carers,

What a fabulous start to Year 2 we have had!

In our 'How to Train a Dragon' topic we have rescued a dragon who was stuck in the quad by inventing machines to help him down. We have learnt to use command sentences and used them when writing instructions so that we could teach him how to fly.. hopefully he won't get stuck up a tree again!

In geography we have found out about some of the human and physical features in the world around us, and shown them on a map of our own Dragon Island. In DT, we have turned our designs into 3D models.

We would like to invite you to come and see some of the work we have completed and help us to celebrate our achievements. Year 2 classrooms will be open for visitors at 2:30pm on Wednesday 19th October. The event is open to family or friends of the Year 2 children, but due to space we must restrict visitors to 2 per child.

If you would like to come along, please return the slip below to the class teacher by Tuesday 18th October. We hope that you will be able to join us.

Photographs of the children's work will be posted on the school's social media pages so that you can share in our celebration at home with your child if you are unable to attend.

Best regards,

The Year 2 Team

Reply Slip – Year 2 -How to Train a Dragon Open Classroom Event – 19th October 2016

Name Class

I / we will be coming to the Open Classroom event on Wednesday 19th October at 2:30pm.
