September 7<sup>th</sup> 2018

Dear Parents/Carers,

### Planetarium visit

As part of World Space Week, we have organised for a planetarium to visit the whole school on **Monday 8<sup>th</sup> and Tuesday the 9<sup>th</sup> of October 2018**. During this visit the children will be able to experience star gazing in a different and exciting way. They will also be able to observe the planets in our solar system, the size of the universe, take part in some space travel, and take a close look at the earth, sun and moon. It will be a fantastic workshop for all!

We are inviting the whole school from Nursery to Year 6 to get involved and really hope it will start our Space Week celebration off with a bang! In order to cover the cost for the visit and hire of the planetarium the cost for each child will be **£3.50**.

If you would like your child to attend then please make payments to Sharnie in the Canteen, Monday- Friday between 08.35-09.15. Please make Cheques payable to **The Shared Learning Trust**. Any child who does not pay for the day will not be able to take part. **Payment Deadline** for this workshop is **Monday 24<sup>th</sup> September**.

Thank you for your continued support,

Miss Chowdhary  
Science Lead
