Dear Parents and Carers,

Re: Protective Behaviours Workshop

As previously mentioned in an earlier communication, the school have been given the opportunity to run a Protective Behaviours Workshop, supported by the Family Partnership Team for Central Bedfordshire. We are very excited as a school to have been selected to offer this programme.

This is an excellent opportunity for your child to gain a better understanding of when it's okay and not okay to feel scared, as well as learning more about how to keep themselves safe.

The workshop is aimed at children aged 5 to 11 years and will be delivered to groups of ten children. The workshop will run for two hours during school time, but will not interfere with any core subjects.

A date for the workshop will be confirmed once we have received sufficient interest in the event. If you would like your child to attend the workshop, please indicate on the reply slip below, by no later than Tuesday 20th February 2018.

Should you have any questions you would like to ask regarding the workshop, please do not hesitate to contact me.

Yours faithfully

Miss T Dutton
