26th September 2017

Dear Parent / Carer,

As you may know, World Space Week begins on 4th October, and we are very excited to develop our understanding of this year's theme 'Exploring New Worlds in Space'! The University of Hertfordshire owns the world's biggest inflatable planetarium, and on Friday 6th of October, have offered to put it outside of BBC Three Counties radio station (next to Grove Theatre). Pupils in Year 3 and 4 have been invited to come along and look up at the stars inside the planetarium to celebrate World Space Week together! This visit is entirely free, and we will be walking from the academy to the venue. Pupils will need to bring a packed lunch, as we will be eating at an earlier lunch time. We will be returning to school at 3:15pm.

If you would like your child to attend this visit, please complete the slip attached below and return to the main office **no later than Friday 29th September**. If you would also like to attend this visit as a Parent Helper, please let us know on the slip and we will contact you if we need support.

Kind regards,

Miss Knight
Deputy Headteacher

Friday 6th October 2017 – BBC Three Counties Planetarium Visit

I do/do not give my child permission to attend the visit to BBC Three Counties Radio Station on Friday 6th October 2017.

I am available to support the visit if needed. My contact details are:

Name:
Relationship to child:
