Dear Parents

Re: School music lessons

My name is Kevin Hickman and I am one of the directors of Rhythm Room Music School. Starting from September Rhythm Room is proud to be working with The Vale Academy to provide instrument lessons to the pupils of the school. We are dedicated to quality music lesson provision and believe that everyone should be given the opportunity to play an instrument. Based from our headquarters in Milton Keynes we currently provide music teachers to schools across five counties as well as teach over 150 students weekly from our MK premises.

We will be offering piano, guitar, drums, violin and vocal lessons initially however we would like to introduce more instruments to the school if there is interest. If there is an additional instrument you would enrol for and we are not offering it currently please go to the following link to fill out our survey:

We will be attending the school's fete next week on Thursday July 5th with our teachers in order to provide taster lessons, meet you and answer any questions you may have about the lessons. In addition to this we will be performing an assembly to the students on the morning of Thursday, July 19th.

If you would like to register for lessons please visit the link below to complete a registration form.

After you have signed up for lessons I will be in touch with an information pack on the books/equipment needed for lessons, all equipment that needs to be purchased for lessons can be sold through Rhythm Room, we also have an instrument hire scheme available, please email schools@rhythmroom.co.uk for more information.

20 Minute Individual Session	£83.33
30 Minute Shared (2 pupils) Session	£62.50
20 Minute Shared (2 pupils) Session	£41.67
20 Minute Group (3 pupils) Session	£27.78 *Only available to guitar and piano students

- Fees must be paid in advance and should be received in full, for the term before lessons begin.
- Payment should be made by BACS, but if you do not have access to online banking please contact me to make alternative arrangements.
- Fees are based on the offer of 30 lessons per school year, divided into three equal termly instalments. However, the number of lessons per term may not be divided equally due to differing term lengths and teacher commitments.
- After initial registration your child will automatically be included in registers for subsequent terms, there is no need to resubmit your details each term.
- We require 6 school weeks' notice in writing should you wish to discontinue your child's music tuition.

Yours sincerely
