4<sup>th</sup> July

To: Parents/Carers of pupils in Years 1 & 2

Dear Parents/Carers

We are pleased to be able to offer Scootability course to Years 1 & 2 pupils on the 12<sup>th</sup> & 13<sup>th</sup> July during school time.

Scootability is a national scheme organised and operated by trained professionals, aimed at improving a child's confidence and ability on their scooter. It teaches pupils how to ride safely to and from school. It is open to all pupils who have access to a scooter. The session will last 55 minutes and will take place during the school day. We would strongly recommend that your child wears an appropriate helmet for all cycling/scooting activities. If you would like your child to partake not wearing a helmet please can you notify us below.

If you are interested in your child completing the course, please complete and return the attached slip to myself by Monday 11<sup>th</sup> July. Pupils will then be allocated a session over the two days.

Yours sincerely

Mr N Pearson  
Head of P.E. and Health
