Dear Parents and Carers,

The Vale Academy are excited to announce we will be working towards the PDSA Petwise Award this term.

PDSA is an animal veterinary charity founded by Maria Dickin in 1917. Recently they have created the petwise award for schools to promote how children respect and care for animals.

As part of the award, the children will be completing a series of small tasks and challenges to show what they have learnt. This will include recognising different pets, investigating how to look after them and finding out more about the charity.

To introduce the award to the school we are holding a petwise day on Friday 1st March 2019. There will be a small charge of 50p on the day, which will be given to the PDSA charity.

To make the day as exciting as possible we would like all children to come to school dressed as their favourite animal.

We look forward to seeing a school full of happy animals.

Thank you for your support.
